

# Lexmark CS317dn

CS317dn

## Take your business to the next level with stunning color

This entry-level, professional color printer, with PANTONE® calibration, ensures accurate color that helps take your business to the next level. The CS317dn delivers up to 25 printed pages per minute from a compact and affordable device that includes advanced security, networking, a 2-line LCD display and mobile print capability.\*

## Brilliant, accurate color

Lexmark's color-matching tools and PANTONE calibration produce stunning color pages at up to 25 pages per minute, so you can save time and money by printing color images and documents in-house. Thanks to a dual-core processor and 256MB of memory (upgrades up to 2.3GB), even complex documents with graphics and images print quickly. The CS317dn can deliver the first color page in as little as 11 seconds.

Mobility

## Dependable security, with mobile print capability

Extensive network security features and protocols are built-in to protect your device, information and network from unauthorized access. Print from mobile devices using an optional Wi-Fi adapter or Lexmark's free Mobile Print app.

## Comprehensive warranty

The affordable CS317dn is so well made, we back it with a solid 1-year warranty that offers you multiple ways to obtain help: phone, email, live chat and remote assistance. Plus, if your device ever fails, we'll ship you a replacement device through our Advanced Exchange program so you're up and printing again as quickly as possible. See Statement of Limited Warranty for details.

\*Requires free Lexmark Mobile Print app with Android or iOS mobile device.

### Outstanding supplies value

Lexmark's exclusive Unison™ Toner keeps your cost of printing low, with toner yields that provide great value at prices that are budget friendly. Cartridges yield up to 2,300 color and 3,000 black pages and they never require shaking, which minimizes interruptions and keeps your work moving. The Lexmark print system and Unison Toner ensure consistent print quality throughout the life of the cartridge to prevent wasted prints.

### User-friendly

The CS317dn is simple to install, easy to use and offers full compatibility with nearly every operating system and network, so you'll be up and running in minutes. It's built to last, so you'll easily be able to print up to 5,000 pages per month, thanks to our state-of-the-art paper handling technology.

Monitor operating status and supply levels on the printer's easy-to-use, 2-line LCD screen, or from a remote location via its web interface. Add an extra paper tray to boost input to 900 pages for fewer interruptions.

### Eco-friendly

Built-in two-sided printing reduces paper use. The instant warm-up fuser saves energy and delivers the first color page as fast as 11 seconds. Select an energy-saving mode (Quiet, Hibernate or Eco) to automatically minimize noise and energy consumption.

<sup>1</sup>Average continuous black or continuous composite CMY declared cartridge yield up to this number of standard pages in accordance with ISO/IEC 19798. <sup>2</sup>Recommended Monthly Page Volume<sup>2</sup> is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage. <sup>3</sup>Maximum Monthly Duty Cycle<sup>3</sup> is defined as the maximum number of pages a device could deliver in a month using a multishift operation. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs. <sup>4</sup>Printers are sold subject to certain license/agreement conditions. See [www.lexmark.com/printerlicense](http://www.lexmark.com/printerlicense) for details. <sup>5</sup>Print and copy speeds measured in accordance with ISO/IEC 24734 and ISO/IEC 24735 respectively (ESAT). For more information see: [www.lexmark.com/ISOspeeds](http://www.lexmark.com/ISOspeeds). <sup>6</sup>Actual Yield may vary based on other factors such as device speed, paper size and feed orientation, toner coverage, tray source, percentage of black-only printing and average print job complexity. <sup>7</sup>Product functions only with replacement cartridges designed for use in a specific geographical region. See [www.lexmark.com/regions](http://www.lexmark.com/regions) for more details.
