

Lexmark MS517dn

MS517dn

The fast lane: up to 45 ppm and 2,000 sheets at a time.

The Lexmark MS517dn delivers the speed and capacity you need to handle larger jobs. Featuring print speeds up to 45 pages per minute and available input capacity up to 2,000 sheets, it's ready for busy offices and workgroups. With advanced security, Gigabit networking, 2.4-inch color display and keypad to simplify tasks, 2-sided printing, available High Yield and Extra High Yield cartridges, and mobile print capability,* you'll be amazed at the value.

Fast, laser-sharp printing

Print more in less time. The MS517dn features 256MB of memory (expandable to 1.2GB) and Gigabit networking, so it can produce crisp text, graphics and images at up to 45 pages per minute, with the first printed page in as little as 6.5 seconds. Unison™ Toner delivers rich blacks and smooth grays from the first print to the last, without fading.

Security

Mobility

Security. Confidential Print. Mobile print capability.

Extensive network security features and protocols protect your device, information and network from unauthorized access. Keep your sensitive documents safe by enabling the Confidential Print feature, which requires entering a customized, unique PIN on the device's keypad before the document can be printed.

In addition, you can print from mobile devices using Lexmark's free Mobile Print app or an optional Wi-Fi adapter.

Comprehensive warranty

The MS517dn monochrome printer is so well made, we back it with a solid 1-year warranty that offers you multiple ways to obtain help: phone, email, live chat and remote assistance. Plus, if your device ever fails, we'll ship you a replacement device through our Advanced Exchange program so you're up and printing again as quickly as possible. See Statement of Limited Warranty for details.

* Requires free Lexmark Mobile Print app with Android or iOS mobile device

Extra High Yield cartridges produce up to 20,000 pages

Available Extra High Yield cartridges produce up to 20,000 pages and never require shaking, which minimizes interruptions and reduces cost per page. The Lexmark print system and Unison™ Toner ensure consistent print quality throughout the life of the cartridge to prevent wasted prints.

User-friendly

The MS517dn is simple to install, easy to use and offers full compatibility with nearly every operating system and network, so you'll be up and running in minutes.

It's built to last, so you'll easily be able to print up to 14,000 pages per month, thanks to our state-of-the-art paper handling technology and long-life consumables.

Lexmark's Mobile Print app for iOS and Android devices provides a simple and consistent user experience for printing from mobile devices. It features simple printer discovery and mobile print.

Eco-friendly

Built-in two-sided printing reduces paper use. The instant warm-up fuser saves energy and delivers the first printed page in as little as 6.5 seconds. Select an energy-saving mode (Quiet, Hibernate or Eco) to automatically minimize noise and energy consumption.

Through LCCP, the Lexmark Cartridge Collection Program, Lexmark offers a free and easy way for you to return your empty cartridges for sustainable recycling or remanufacturing.

Size (in. - H x W x D) / Weight (lb.)	10.3 x 15.7 x 15.0 in. / 33.1 lb.	

¹Average standard page yield value declared in accordance with ISO/IEC 19752. ²Printers are sold subject to certain license/agreement conditions. See www.lexmark.com/printerlicense for details. ³Actual Yield may vary based on other factors such as device speed, paper size and feed orientation, toner coverage, tray source, percentage of black-only printing and average print job complexity. ⁴Product functions only with replacement cartridges designed for use in a specific geographical region. See www.lexmark.com/ regions for more details. ⁵Maximum Monthly Duty Cycle" is defined as the maximum number of pages a device could deliver in a month using a multishift operation. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs. ⁶Recommended Monthly Page Volume" is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage. ⁷Print and copy speeds measured in accordance with ISO/IEC 24734 and ISO/IEC 24735 respectively (ESAT). For more information see: www.lexmark.com/ISOspeeds.
