

# The World's Toughest Shredders®

100  
YEARS

Innovation in Motion™  
Since 1917

# Engineered to Perform the First Time Every Time

When Fellowes® invented the personal shredder over 25 years ago, our mission was to bring powerful performance, security, and a full range of convenient shredding solutions to offices of all sizes. Today, that mission remains the same – to provide shredders that are engineered to perform the first time, every time. Our latest line continues that promise. From the new and improved AutoMax™ shredders to the upgrades to our commercial line, our customers know they are getting reliable performance they can count on. Fellowes, The World's Toughest Shredders®

Fellowes® History of Shredder Innovations

1982

Production begins on commercial shredders

1990

Launch of the first ever personal shredder

2005

Fellowes introduces touch based SafeSense® technology

2008

Fellowes invents 100% Jam Proof shredding technology

2014

Launch of AutoMax™, the first truly walk away commercial shredders

2015

Expansion of AutoMax™ line to include deskside shredding

# Dozens of Features to Keep You Covered

Through in-depth research, Fellowes® gains valuable insight into the key features that matter most to our customers. We evolve those insights into meaningful technologies that result in feature-rich machines. Whether a quieter shredder, a safer shredder or one with 100% Jam Proof™ Technology, our patented innovations introduce solutions that meet everyday shredding needs and deliver the convenience and performance our customers expect.

## Jamming

### 100% Jam Proof™ System

Eliminates paper jams and powers through tough jobs

### Jam Blocker™

Blocks jams before they start

### Jam Buster

Powers through jams for hassle-free shredding

### Auto Reverse

Stops and reverses paper if a jam occurs

## Safety

### SafeSense® Technology

Automatically stops shredding when hands touch the paper opening

### Safety Lock

Disables shredder for added safety protection

## Noise

### SilentShred™

Offers ultra-quiet performance for shared workspaces

### Quiet Operation

Shreds without noisy interruptions

## Energy

### Energy Savings System™

Provides optimal energy efficiency 100% of the time – in use and out of use

### Sleep Mode

Shuts down the shredder after 2 minutes of inactivity

### Auto Shut Off™

Automatically shuts off after 30 minutes of inactivity

## Auto Feed

### SureFeed Technology™

Provides powerful automatic shredding for heavy usage

### AccuFeed™ System

Provides fast automatic shredding for medium usage

### Smart Lock™

Engages with each shred cycle to protect confidential information

### JamGuard System™

Prevents shredding interruptions for a jam free operation

## Other Features

### TAA Compliant

Designed & assembled in the USA and meets strict TAA guidelines

### Micro Shred

Ultimate protection with shreds 6x - 10x smaller than standard cross-cut

### Auto Oil

Automatically lubricates to enhance performance & extend shredder life

### Touch Screen

Innovative touch screen technology with back-lit LEDs

Shredder Selection Guide

PowerShred® 485Ci

Commercial

Our commercial grade shredders are ideal for large offices with multiple users, feature continuous run times for non-stop shredding and are engineered for heavy usage.

Number of Users

Run Time

Usage

PowerShred® 99Ci

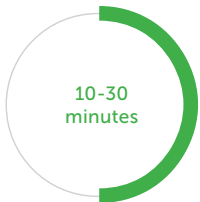

Small Office / Home Office

Our small office/home office shredders are ideal for 1-3 users who handle confidential information, feature up to 30 minute run times and are engineered for medium/heavy usage.

Number of Users

Run Time

Usage

PowerShred® 63Cb

Personal

Our personal shredders are ideal for individual users handling confidential information in the office or home, feature up to 10 minute run times and are engineered for light/medium usage.

Number of Users

Run Time

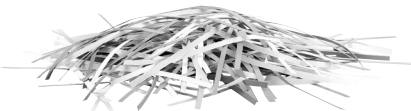

Usage

# Shredder Security Guide

## Strip Cut

### Security Level

Basic Security Level P-2

### Usage

Use for documents with low confidentiality Needs

### Strip Size

7/32" x Length of Paper - 39 strips per sheet

## Cross-Cut

### Security Level

Higher Security Level P-3, P-4

### Usage

Enhanced security for highly confidential documents

### Strip Size

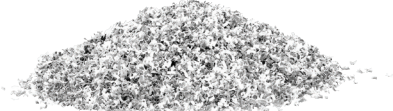

Level P-3

Level P-4

5/32" x 2"  
302 particles per sheet

5/32" x 1 1/2"  
397 particles per sheet

## Micro-Cut

### Security Level

Ultimate Security Level P-4 & P-5

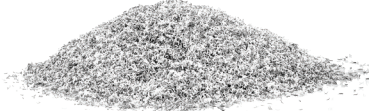

### Usage

Superior security for highly confidential documents

### Strip Size

5/64" x 5/16" - 3,770 particles per sheet

## High-Security

### Security Level

Government Approved Level P-7

### Usage

Delivers a high level of security protection for top secret and classified documents

### Strip Size

1/32" x 3/16" - 15,081 particles per sheet

## Versatility

CD/DVDs, Credit Cards\*, Paper Clips,  
Staples, and Unopened Junk Mail

## Powershred® Waste Bags

Designed to fit your shredder perfectly.

## Powershred® Performance Oil

Maximizes performance and extends  
the life of your shredder.

\* Plastic and chipped cards. Does not shred specialty metal cards.

# Auto Feed Shredders

AutoMax™ shredders offer a truly walk away shredding experience, automatically shredding stacks of paper at the push of a button. We've eliminated the limitations that were once tolerated with other auto feed shredders in the market by using patented SureFeed™ and AccuFeed™ Technologies which shred common stacks of paper as they are – no pulling out staples, paper clips, or even smoothing wrinkled papers. Simply load the drawer, press start and walk away with confidence. While AutoMax shreds, you get back to business.

AutoMax™ 500CL  
Shared Use
