ENCOREPRO 500 USB SERIES

The EncorePro 500 USB Series when combined with optional Plantronics Manager Pro software, offers a fully integrated audio and asset management solution providing all-day users with superior audio, comfort, and durability, and IT managers with enhanced management capabilities.

COMFORT AND CONVENIENCE

- Adjustable fit enhances all-day wearing comfort, ensuring users stay fresh and engaged
- Super-lightweight, robust design and soft, audio-optimized ear cushions provide all-day comfort
- Intuitive inline controls to answer/end calls, control volume, and mute

SUPERIOR AUDIO

- Next-generation custom microphone reduces background noise and interference, ensuring fewer missed words and a better experience
- Flexible noise-cancelling boom with visual positioning guides makes it easy to establish optimum mic placement for voice clarity
- Tuned stereo wideband audio delivers richer, clearer conversations while SoundGuard and SoundGuard DIGITAL protect users from hearing discomfort and listening fatigue

LONG-TERM RELIABILITY

- Designed for the rigors of communication-intensive environments
- Laser-welded construction and durable joints provide unbeatable toughness

GREATER INSIGHTS WITH PLANTRONICS MANAGER PRO* AND PLANTRONICS HUB

- Remotely monitor, manage, and maintain audio devices company-wide
- Generate inventory and usage reports to streamline asset management
- Remotely adjust setting configurations and lock in regulatory compliance settings
