▼ Approx. toner cartridge yields in accordance with ISO/IEC 19752 (letter/A4). ▲ Approximate toner cartridge yield in accordance with ISO/IEC 19798 (letter/A4). ~ The recommended range of monthly printed pages to achieve the best possible performance and printer life. Printers are intended to handle occasional usage beyond this range with little or no effect. Consistently printing above the recommended print volume, however, may adversely affect the print quality or life of the machine. It is always best to choose a printer with an appropriate recommended print volume to allow for any anticipated increase in printing needs.
