

# BROTHER QL IN FACILITIES

brother  
at your side

Create labels with black and red\* print up to three feet in length, from PC, Mac, iOS or Android devices. Several wired and wireless connectivity options are available, and even the ability to directly print labels stored in the printer's memory using the integrated LCD / control panel on the Brother QL-820NWB, or external devices connected to the printer.

\* Requires DK-2251 continuous roll to print in black and red.

## LABEL TYPES FOR THE QL-800 SERIES

Labels types are available in die cut paper, continuous length rolls, removal paper or pre-sized formats. **See Brother.com for more information.**
