

## Monthly Flat Rate Billing for Your Printing Needs

The Brother Value Subscription Program (VSP) is a **hardware inclusive offering with supplies and remote exchange service included**. Plans are based on a monthly flat rate fee, which **depends on page volumes that you will print**.

Unlike other contractual offerings you have flexibility to change plans to align with your changing business needs.

**Brother Value Subscription Program is the only printer subscription plan you need:**

- Monthly fee as low as \$12.99/month
- Includes a Brother printer and genuine supplies delivered before you run out
- Service includes **phone assistance and exchange swap** to make sure your business is not affected
- No hassles! You receive the right supplies and can plan for a consistent budget

## Key Benefits of the Program

- **Peace of Mind:** Service is included to minimize affect on business
- **No Upfront Cost:** As printer is included in monthly fee, no need to pay high upfront cost for multi device purchases
- **Predictable Printing Cost:** Easy to predict cost and plan budget with fixed flat rate upon contract signup
- **Convenience:** All Inclusive offering that is easy and convenient
- **Flexibility:** No long-term commitment and flexibility to change or cancel plans
- **Special discounts** available for multi printer deals, contact your reseller for more details

## Printing Volume Plans

Be it work from home or office; we have plans with printing volume ranges from 250 pages to 4,000 pages per device to cover all your business needs

### Three easy steps to enroll:

1. Contact your reseller<sup>1</sup>

2. Choose your printer(s) and plan

3. Install your device and connect to internet
